Attention:

Subject : Change Order No. 3
 Task Order No. 10
 Contract No. DD-113

Gentlemen:

The subject task order expired as of 15 March 1960.

As submitted in your letter of 26 April 1960, the work contemplated could not be completed by this date because additional time was found to be required by the increased scope of work as set forth in Supplement No. 2.

In consideration of the foregoing, the completion date of Task Order No. 10 is hereby extended to and including 31 August 1960.

This does not affect the delivery of specific items as agreed between the Contractor and the Contracting Officer's technical representative.

The total estimated cost of the subject task order is not affected by this extension of time.

Very truly yours,

Contracting Officer
